You can also choose from hundreds of wines in the shop. The difference between retail and bar price is usually £10 per 75cl which is around half the difference in a typical London wine bar. We hope such keen bottle pricing encourages you to explore.

We can chill whites in a few minutes; we also have a few pre-chilled in the wine fridge. For still wines over £40 retail we only charge the retail price in the bar (wines retailing £30-£39 are capped at £40 bar price excl Champagne). Please note we take last food orders 30 minutes before close, drinks 15 minutes.

SOFT DRINKS

As we are a wine bar we don't serve 'soft drinks only' when we are busy and tables are in demand.

Cornish Yarg^{Cornwall}

Veggie/ Pasteurised

Made by Lynher Dairies near Liskeard in Cornwall. It is a delicious semi-hard cheese that is creamy under the rind and crumbly in the centre.

Godminster Vintage Organic Cheddar^{Somerset}

Raw/Organic/Veggie

It has a rich depth of flavour without the acidity that is sometimes associated with vintage cheddar, giving it a full and rounded flavour with a smooth and creamy texture.

Ticklemore - Goats^{Devon}

Pasteurised/Veggie

Ticklemore is a medium firm goats cheese originating from Sharpham Estate in Devon, who also have a few grape vines planted! Very cool and creamy with mild lemon tartness, lovely with our House Sauvignon Blanc!

Devon Blue^{Devon}

Pasteurised/Veggie

This cheese tends to have a sweet, caramelly flavour profile. It has a crumbly, buttery texture with subtle blue veining throughout.

Norfolk White Lady^{Norfolk}

Pasteurised/Veggie

Hand-made on the farm from the milk of 60 Friesland dairy ewes. Brie-like in appearance and taste, however unlike a traditional Brie this is made with ewe's milk which makes this tangy and slightly stronger than a traditional Brie.
